2. *God is the lead evangelist*

3. *We each have a role in sharing the message of Christ, however small it may be.*

Anyone, anywhere, anytime is not so much about us, but responding to God's Presence abiding in us to share when the opportunity comes.

## **Frontline starts with a vision for where we are**

Mark 5:19b-20 "Go home to your own people and tell them how much the Lord has done for you..... And all the people were amazed." (NIV)

*I wonder how many people would be amazed if we were honest about the impact of God's love in our life.*

## **Developing the Father's heart for People (Heart)**

What do you see the Father doing along your frontline?

"...There are countless strategies for sharing about Jesus but it is the process of developing the Father's heart where we best begin."

- + *Start praying.* Ask God what His heart is for the people around you.
- + *Spend time in God's word:* take time to reflect on God's character and values, allow them to shape our own.
